MESSAGE FROM THE PRESIDENT OF SOUTH FRASER FIELD LACROSSE ASSOCIATION

Dear Parents of Registered SFFLA Players:

As we begin our Winter Schedule on January 10th, 2010, I hope your son /daughter has enjoyed the first part of the season as a Warrior and the exciting game of field lacrosse.

Last year we moved the Annual General Meeting (AGM) from June to a point during the field lacrosse season while you, as parents, are able to share with us your thoughts today instead of four months from now.

As posted on our website <http://www.southfraserwarriors.com>, we have called an **Annual General Meeting of the Membership** to be held:

7:30pm, Thursday February 4th, 2010
Surrey Sports & Leisure Complex
16555 Fraser Highway, Surrey
Upstairs Multipurpose Room

A number of our current Executive (elected and appointed positions) members will not be returning to serve next year, and we will be seeking replacements for the 2010/2011 season. I cannot emphasize how important volunteers are to the very existence of the South Fraser Field Lacrosse Association and it is time for new people to serve and lead the association.

Positions that will be vacant and up for election are as follows:

- President
- Vice President
- Secretary
- Treasurer
- Director of Coaching
- Director of Officiating

Positions that will be vacant and appointed following the AGM are as follows:

- Registrar
- Equipment Manager
- Field Allocator
- Referee Allocator
- Booster Coordinator
- Volunteer Coordinator

Please refer to the website (http://www.southfraserwarriors.com/PDFs/SFFLA_Operating_Policy.pdf) for our SFFLA Operating Policy which contains position descriptions for all of the above.

We know how committed you are to the sport of lacrosse, having encouraged your child(ren)'s participation through registration, driving them to and from practice, the fields and tournaments. From enjoying them playing the game and cheer them on as they develop their skills while having fun with their teammates.

We are now asking for your further support to help fill the critical positions comprising the Executive, thus ensuring the future of field lacrosse at South Fraser will remain strong and continue to grow for many years to come.

Registration fees are used to pay for field time, equipment, insurance and referees. We have no paid employees, just incredible, dedicated people who love field lacrosse and volunteer their time to ensure that our Warriors have the opportunity to play and to grow the sport of field lacrosse in our community.

Attend the AGM Session and register your son/daughter for next season, and as our way of saying “Thank you for caring enough about the future of field lacrosse at South Fraser”, we will be offering a special discount in fees.

We have booked field time for March 7th, 2010 at Newton Athletic Park Turf #1 to hold the evaluations for the 2010/2011 season. Details will follow and be posted on our website under the direction of your new Executive.

Please find the time to attend your Annual General Meeting February 4th, 2010 and be a part of the future of South Fraser Field Lacrosse. Volunteer and make a difference for our Warriors!

Respectfully yours,

John Ewart (via email)
